A Salute to Two Ladies. . .

Back off in the southeast corner of the building, two teachers quietly carry on a program of training that ranges from planning a household to sewing on a button, from the refinishing of furniture to the putting together of meal for a president.

Sharilyn Honacki and Martha Patterson, Home Economics teachers, go about their goal of teaching the practical and the beautiful in everyday life with no drum rolls or bugle calls. Boys and girls alike have found their curriculum fun, interesting and necessary.

In addition to their classroom work these two women sponsor an active organization—Future Homemakers of America with as much enthusiasm as the students. Their club membership stays high and their club activities teach their members responsibility, planning, and achievement of goals. FHA runs the concession stand for every home football game and all work hard and for free because of their leadership. Finally they take FHA numbers on many trips, the final one being a trip that is earned by each member by the number of points they earn through FHA projects.

Students listen attentively as Ms. Honacki lectures.

Sharilyn Honacki demonstrates on the sewing machine.

The well-decorated room makes a perfect learning environment.

Students also learn from the many guest speakers.

Of the Classroom and the House

Among the student responsibilities that they guide are: refreshments for events such as a prom, dances; preschoolers in their child development classes, enthusiastic projects to increase FHA membership, participation in District, State and National events, and summer camp for FHA officers.

To these two young women we dedicate the 1980 Totem Pole. Their dedication to the education of young people merits this recognition. Congratulations. . .and may many more students receive the benefits of their instruction.

The Child Waves Goodbye

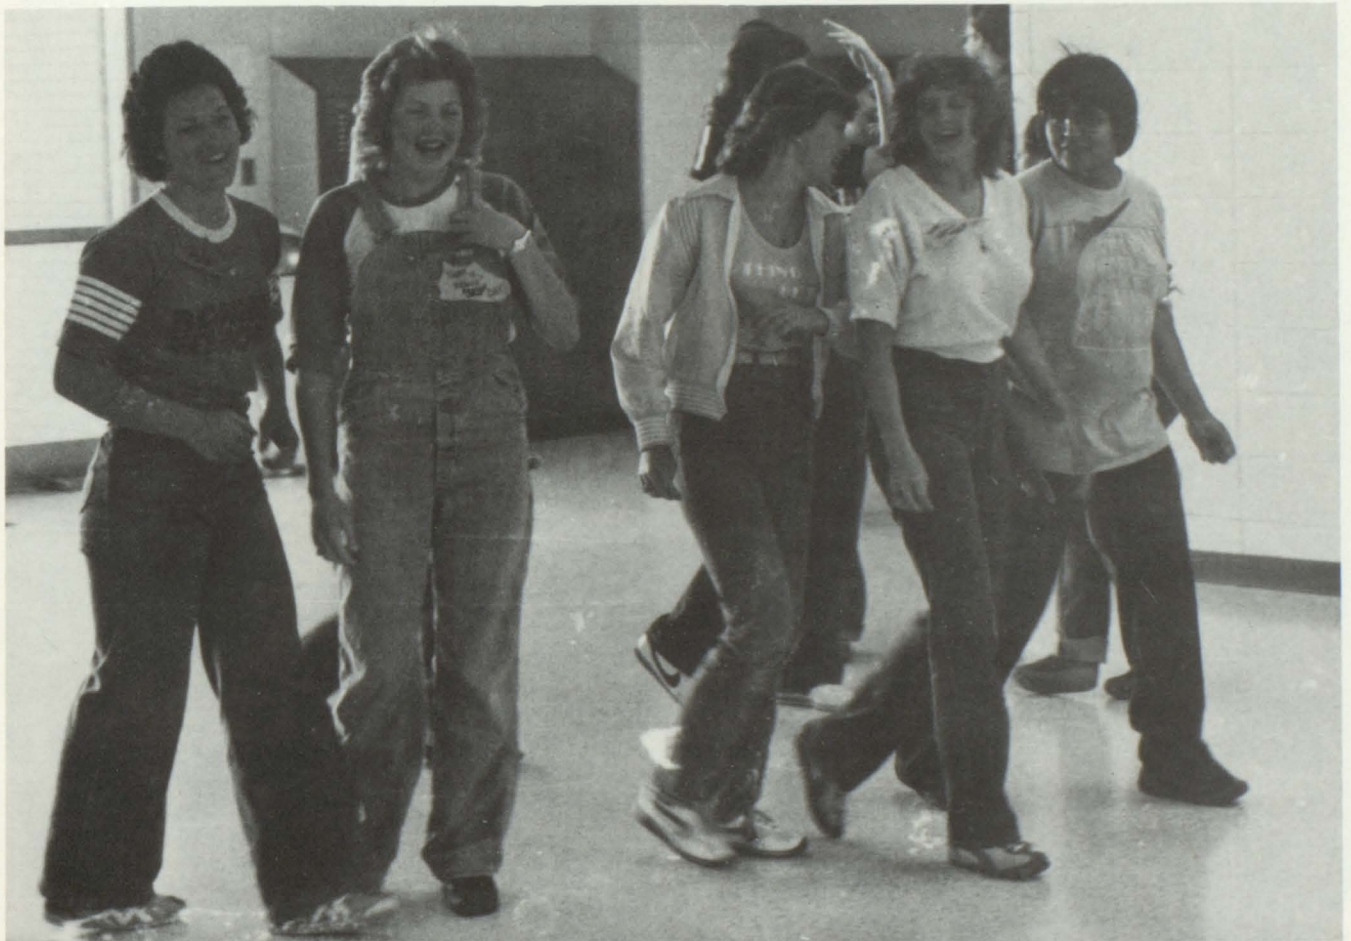

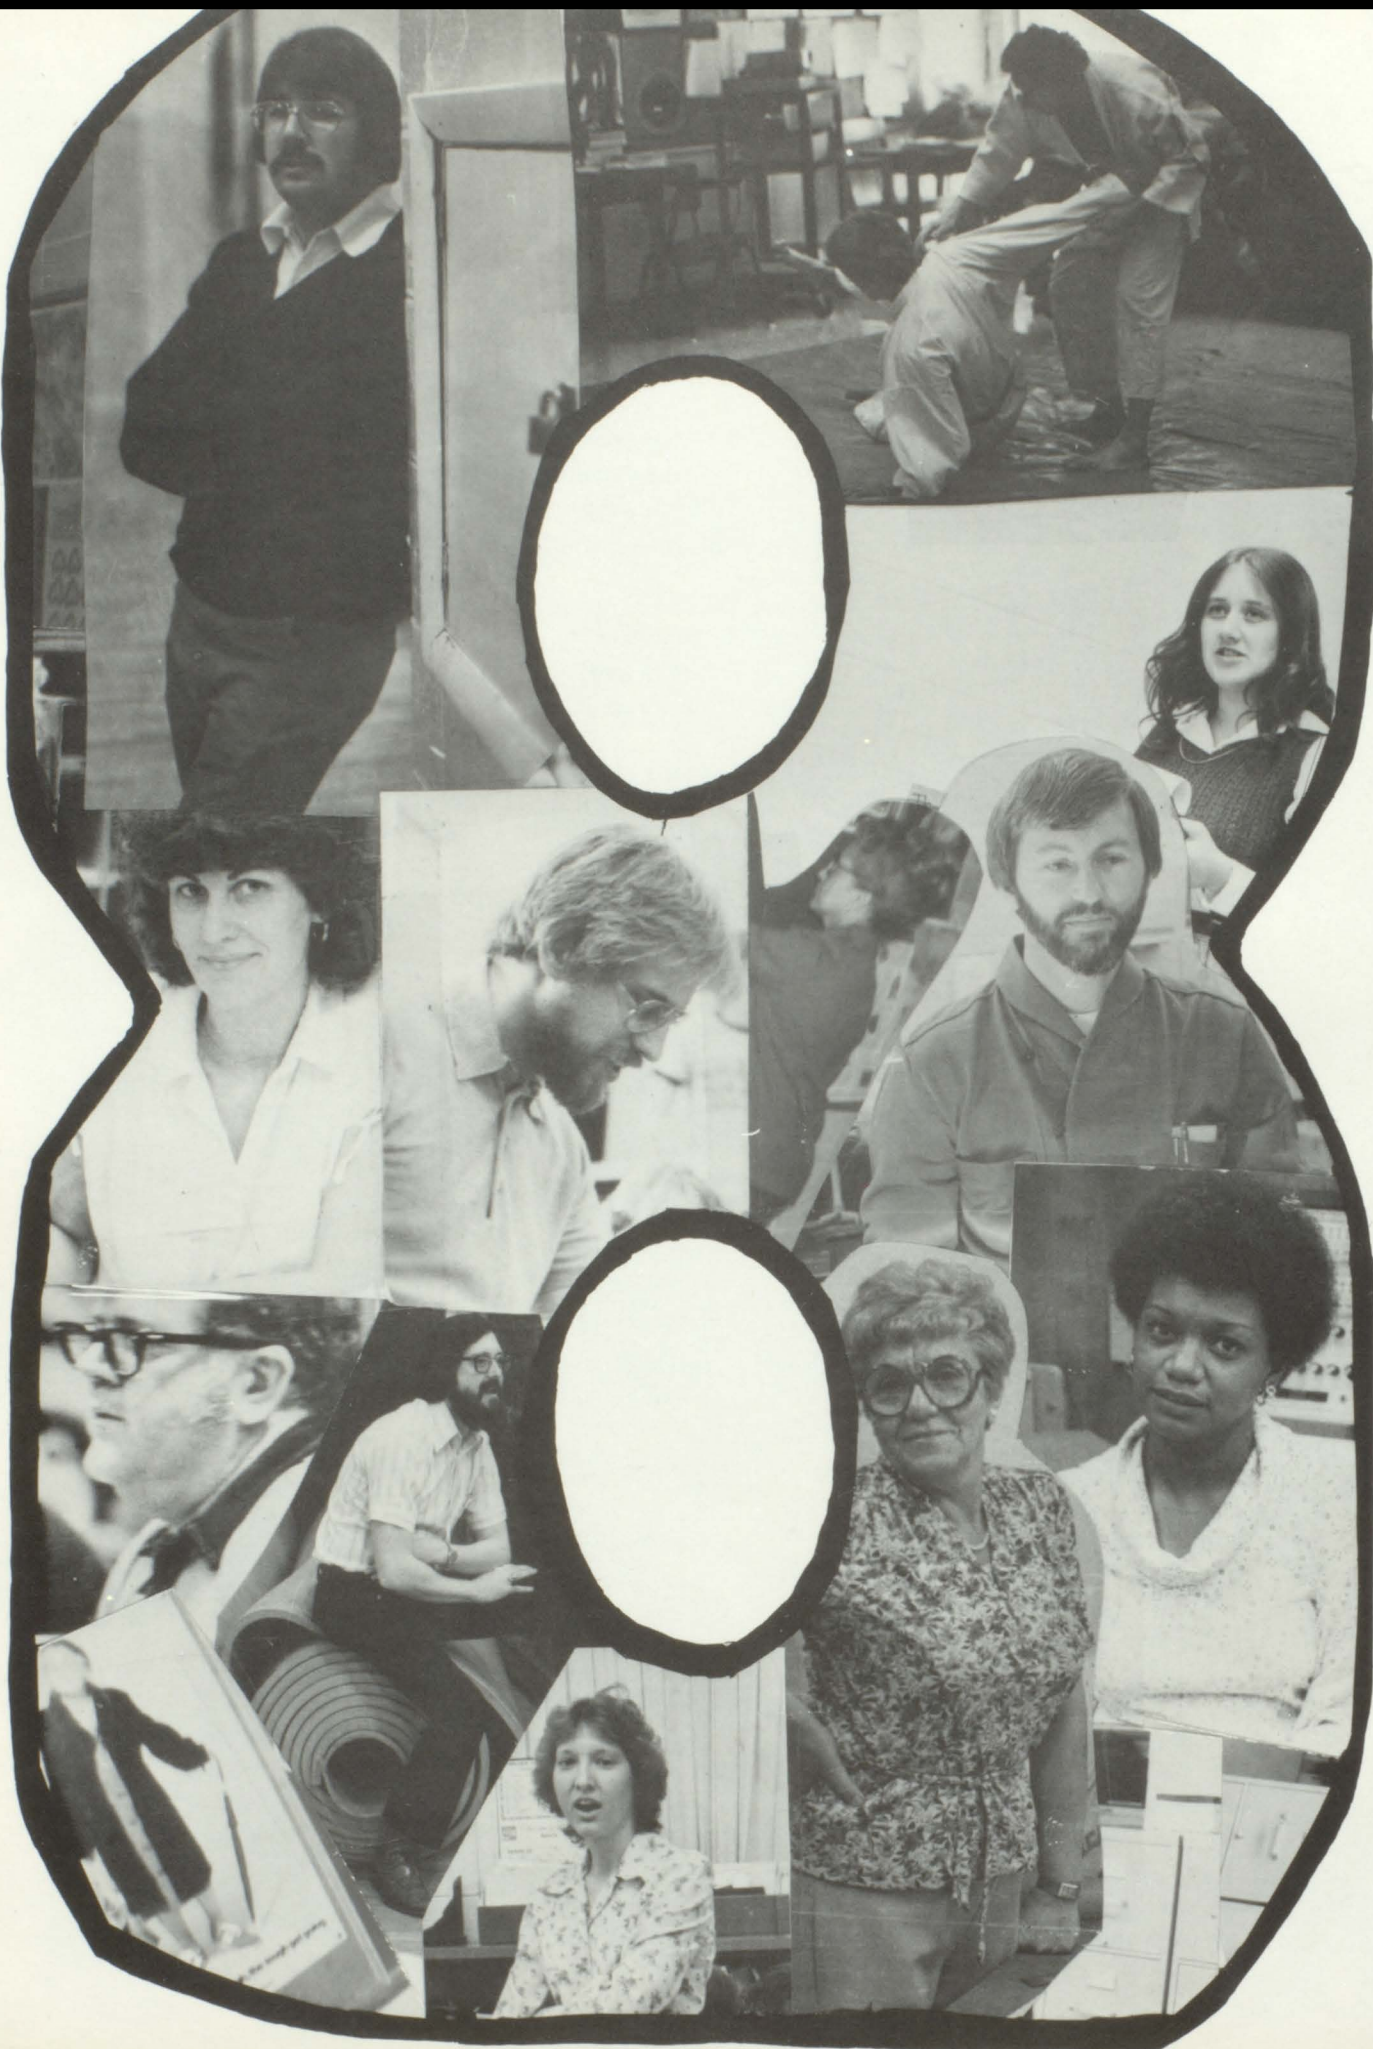

Growing up! Responsible!
Who's to tell me what to do now?
Sure enough! Respectable!
Who is there to answer to now?

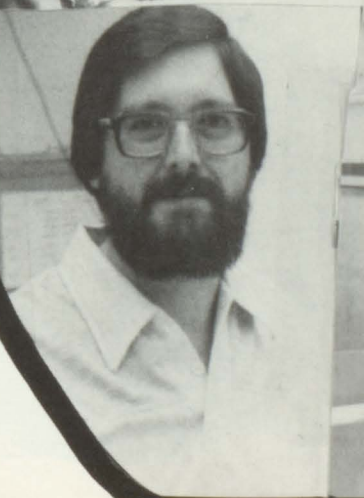

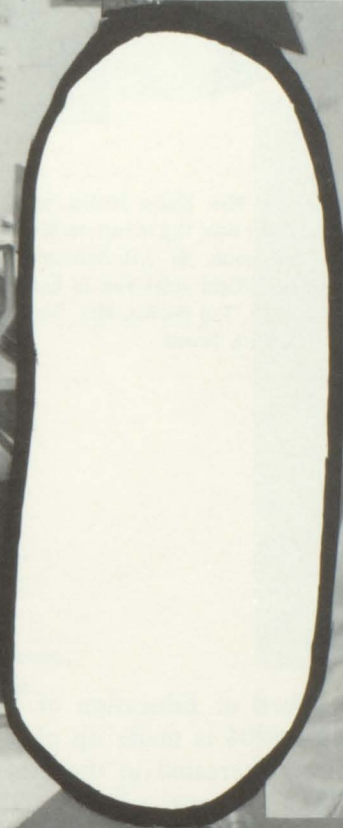

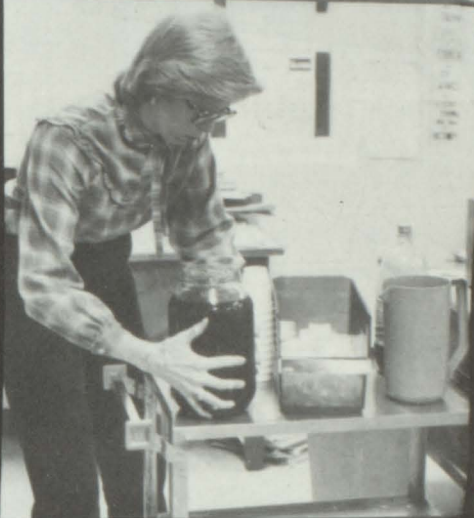

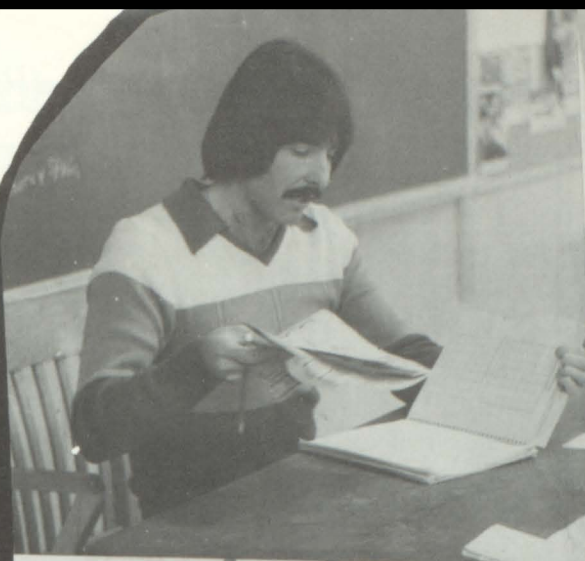

Seasons change and so do I
Seems so strange but still I try
To understand the reason why
The child waves goodbye.

What a time! Incredible!
And I know I'll make it through now!
In my prime! Unstoppable!
There is nothing I can't do now!

Seasons change and so do I
Seems so strange but still I try
To understand the reason why
The child waves goodbye.

The planning and scheduling of the athletic events involves other schools, the transportation department, equipment necessary, personnel and a dozen other problems.

Mr. Nealy and Mrs. Wind discuss the sports coverage by the sports reporters.

The administrative personnel must be on top of everything going on... within the building and the activities planned outside of the building. They plan a schedule that encompasses all of the needs we have to have a well-rounded education and set of activities.

Pyran Wins Again

Pyran and B-Club again won the annual canned goods drive at the high school. Our classes were asking for canned goods for the winter and the competition between the classes decreased the number of cans in the class.

The total can collection came to slightly less than 2200 with the winning class contributing 479 cans. The winners will be treated to pizza at Goddard after Christmas.

The cans contributed by the high school will go with the contributions made by the other schools of Bonner Springs and the

In-School Movie Changed to Nuke Film

After much deliberation the school movie sponsored by the Student Council has been changed from earlier choices to "The China Syndrome."

The change, brought about because of administrative policies, caused the forfeiture of previous selections: "Close Encounters," "Oh, God," and "Psycho."

"China Syndrome" (rated R) is the thrilling account of a nuclear accident at a California power plant.

Starring as the superintendent in charge of the ailing facility is Jack Lemmon, whose main efforts to shut the plant down are ignored by the powerful corporation which owns the plant.

Jane Fonda and Michael Douglas play a TV news reporter and her cameraman who, by chance, stumble onto the story and join the superintendent in his attempts. Included in the plot is action, intrigue, and some very good comments on today's society.

The movie will be shown during fifth and sixth hours, Wednesday, Nov. 21, the day before giving vacation.

The admission fee is 75¢ for how tickets and \$1 at the student hall will be available and miraculous.

Julie Bjorgaard, as Anne Frank.

Julie Bjorgaard, who played the title role of Anne Frank, gave an impressive performance in the famous book: Anne Frank: The Diary of a Young Girl, Anne's personal diary of life in hiding for eight Jews during World War II.

The Emotions of Fear, Love, Loneliness and Reassurance

When the tensions resulting from constantly living in fear of being discovered by the Nazis upset Anne, her father, Otto Frank, portrayed by Bryan King, was a reassuring measure of support for the adolescent, characterized by Julie Bjorgaard.

The relationship that developed during the two years in hiding between Anne and Peter Van Daan was skillfully interpreted by Julie Bjorgaard and Darryl Corcoran.

Mr. Kealer (Shawn Sorrell) brings bad news that someone may know of the hideaways whereabouts.

Mr. Frank rushes to calm a dispute between Mr. Van Daan (Phil Boyer), and Jan Russell (Lang Howell), another Jew who went into hiding with the Franks and Van Daans.

At Hannukah, the Franks and Van Daans sing the Hannukah song to raise their weary spirits.

Discovered by Nazis after two years of hiding in the attic of a warehouse, the Franks and Van Daans sadly acknowledge the outcome of their fate.

Open House Opens Doors...For Parents

In an effort to familiarize parents with their child's academics, classroom doors were opened for visitation. In addition, club and class booths were set up in the Commons Area. Most feel Open House was a big success.

Knight Named Craftsman of the Year

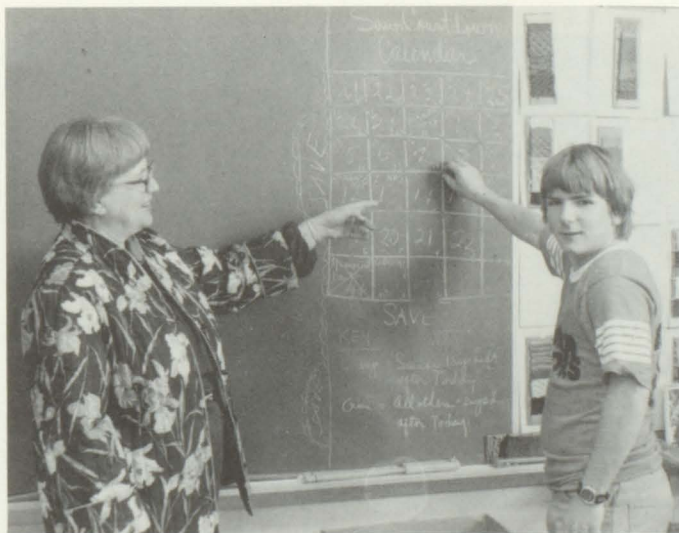

A wonderful moment of pride for the Craftsman and the teacher.

Garry Knight, second year Crafts student, was named Craftsman of the Year by Mrs. Mary Knowles, crafts instructor, at the Honors Awards Night. Devotion above and beyond the regular requirements of a class member was cited as the reason for his award. His kindness, cheerfulness, willingness to help in emergencies, good sportsmanship whenever problems arose and "extra effort personality", as well as his devotion to all of his crafts projects, put him into the favored spot for the award, said Mrs. Knowles. May, 1980, was the end of Garry's fourth semester of Crafts.

Mrs. Knowles urges Garry to work rapidly to complete his latchet hook rug before the year runs out.

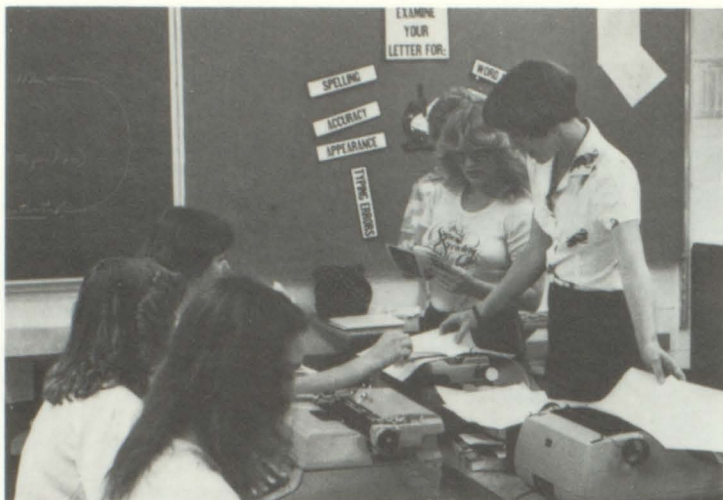

Garry and Mrs. Knowles mark off the days on the Senior Count-Down calendar.

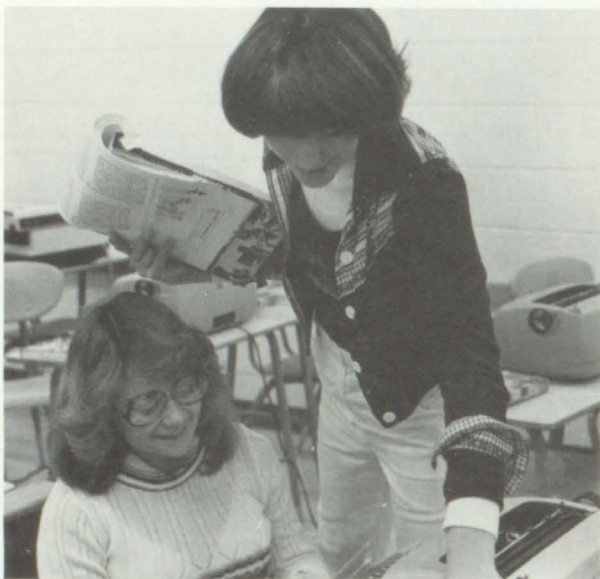

Garry displays work in five different major craft areas.

Secretarial Training...a View of the Work World

Susan Coon shows Mrs. French the letter that she has just completed.

Theresa Kobialka tries her hand at tabulating a list of figures.

Brenda Doolan, Susan Coon, Melinda Cop and Theresa Kobialka listen to further information that will help them in their work in offices in the community.

Practice makes perfect and the secretarial training girls practice...and practice...and practice.

And They Learn How to Be Hostesses Too

Twice a year the Secretarial Training Students entertain their employers. In the fall they have a coffee and in the spring they have a banquet. This gives them an opportunity to thank the employers for their reception as trainees into the companies and offices.

Mrs. French and the secretarial training class have a cookie exchange at Christmas time.

Mrs. French brings doughnuts around for seconds to the staff of Veterinary Medicine Publishing Company.

Linda Meiser, Shelby Kleindolph, Vickie Trotter, Melinda Cop, Ronna Shultz and Susan Coon arrange the doughnuts and the centerpieces will decorating for the "coffee" they hosted.

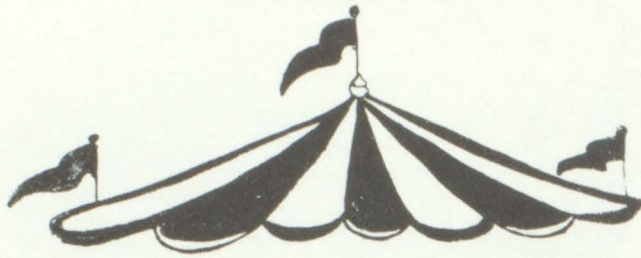

The spring "Bosses Dinner" brought out the bosses and their wives for dinner with the young secretaries.

The dinner, the conversation and the entertainment all made for a fine evening.

ALL-TIME CROSS-COUNTRY HONOR ROLLS

(Note—The 25 fastest individuals who ran on legitimate two-mile courses were selected to the boys all-time honor roll. Even though the Bonner Springs High School course is believed to be 1.85 to 1.95 miles in length, times on this course have been used for ranking individuals because all past Bonner teams have competed on this course in their own invitational yearly. Seven runners have been included on the boys 2½-mile honor roll while five girls have been named to the two-mile and 1 5/8-mile honor rolls.)

"Champion of Champions"

After fifteen successful years at the wrestling helm, Coach Richard Burns announced his retirement after the 1979-80 season.

The reasons for this retirement are twofold. Firstly his son Rick is now on the team. Secondly, he has grown weary of his busy schedule and wants to spend more time with his family.

Burns, who will continue his work as line coach of the football team, has comprised an impressive 95-31-3 dual record in his fifteen years. He has had six state champions and one grand state champ. While his team finished 9th at state last year, they have finished as high as second. It will be hard to find a new coach with credentials equal to these.

Eddie Seaton, a sophomore, has compiled a 56-3 record during his two years in high school. Last year as a freshman he was 26-2, finishing third in the 5A state tournament, the only freshman in the history of Bonner wrestling to do so.

As a sophomore he went 30-1. Here (left) he is shown after his final match at the 5A state tournament, defeating Joel Rios of Emporia 9-3. Seaton receives his bracket at state for achieving first place.

Track Girls' Race to State Championship

The 1980 Girls' Track Team: Back row, left to right: Manager Sandy Riemer, Betty Davis, Kim Manis, Kristi Cox, Cheryl Nealy, Ruth Wagner, Kecia Stolfus, Kathy Hecke, Coach Jill Mullins. Middle row: Manager Tilie Burns, Johnetta Kimbrough, Tracy Tallman, Chris Seaton, Jolinda Lee, Kay Moore, Jackie Wall, Lawanda Newton. Front row: Deloris Anderson, Diane Sanders, Nina Kimbrough, Cheryl Chambers, Carol McGraw, Viesta Suffren. Not pictured: Jean Harden, Clara Phoenix, Manager Melanie Gray.

"We are the Bonner Bravettes,
the mighty Bravettes,
we're first in our EKL.
We'll fight for evermore,
we love to raise the score,
we'll never let you down,
'till we go to State!
Go! Fight! Win!"

And let us down they didn't. With brilliant sophomore Viesta Suffren leading the way, the girls track team captured the 1980 5A State Track and Field Championship at Wichita. Winning four events and finishing second in three others, the Bravettes piled up 70 points to avenge a loss to Ottawa in the East Kansas League meet.

The championship came at the end of a season that proved an exciting one for both the girls running and Coach Jill Mullins. After placing third at Blue Valley, the first meet of the season, the girls succeeded in bettering that result at every subsequent meet. The girls won the team titles at Chanute, Bonner, Miego, Olathe, and the Regional meet at Washburn Rural, and they placed second at Ward, the Knights of Columbus relays, and the EKL championship before sending their seven best girls to Wichita.

The best 5A girl runners in the state of Kansas were led by seniors Cheryl Chambers and Nina Kimbrough. Besides anchoring the winning mile relay team and placing second at state in the long jump, Cheryl set a new school record in the long jump of 18'4½". Doubtless this mark will stand for years to come. Nina, who also ran on the mile relay team, placed consistently all season in the 880 yard run.

Juniors Carol McGraw and Diane Sanders are certainly capable of stepping into the shoes vacated by Cheryl and Nina. Fleet Diane Sanders excels in the 100 yard dash and runs on the 880 relay team, while versatile McGraw brings home medals every meet in the 220, 880 yard relay, mile relay, 440 yard relay, and occasionally the 100.

Coach Mullins had a surprise this year in freshman Chris Seaton, who eclipsed the school record in the 880 yard run with a sizzling 2:22.9. Johnetta Kimbrough, another freshman, also showed signs of becoming an outstanding runner like her sister. Johnetta, along with Sanders, McGraw, and Chambers, placed second at state in the 880 relay in a time of 1:45.94.

Going Out in Style

Senior Bravettes Cheryl Chambers and Nina Kimbrough led the team to the 5A State Championship and new school records.

This mile relay team doesn't fool around: Cheryl Chambers, Nina Kimbrough, Carol McGraw, and Viesta Suffren remained undefeated all season and hold the state record in their event.

State 5A track champs

Bonner girls reign

By RICHARD GUMM

Kansas Correspondent

WICHITA — With brilliant sophomore Viesta Suffren leading the way, Bonner Springs captured the 1980 Class 5A girls state track and field championship here Satur-

day.

Winning four events and finishing second in three others, the Bravettes piled up 70 points to avenge a loss to Ottawa in the East Kansas League meet.

Ottawa was second with 55 points with Salina Central third with 52.

Suffren won two events and also led off the state's fastest mile relay team.

Carol McGraw, Nina Kimbrough and Cheryl Chambers took it the rest of the way, roaring to a 3:56.94 clocking that shattered the state record and established a new 1980

state best.

Suffren and Chambers teamed up to make a one-two sweep in the 400-meter run as Suffren won in :56.47 with Chambers second in :57.63.

Earlier, Suffren won the 100-meter dash in :12.65. Her own disappointment came in the 220 where she had to settle for second but it took a state record :25.34 by Ottawa's Rachael Brockman to do it. Suffren was next in :25.77.

Chambers also finished second in the long jump with a 17-7½ leap and anchored the 800 relay team to a runnerup finish. Diane Sanders, McGraw and Johnetta Kimbrough ran the first three legs and the four-some clicked off a 1:45.94 that was their season's best by a big margin.

Freshman Chris Seaton had a debut to remember, finishing third in the 800 in 2:22.9.

"I'M TOTALLY thrilled," said an excited Bonner coach Jill Mullins. "The girls knew they could win although we weren't in as many events as Ottawa or Salina. I'm just proud of everyone."

"The team had faith in the coach, God and each other," said Nina Kimbrough.

"Our togetherness pulled us through," agreed Chambers.

BISHOP MIEGE crowned one champion in Kathy Rinella, who won the 3200-meter run in 11:28.8 and then came back to finish second in the 1600 in 5:24.86.

Miege also got a fifth from Kathy Bichelmeier in the 3200 while Ward's Bernie Yadrich was fourth.

BONNER'S BOYS were led by Ray Mosier, who finished second in the 1600 (4:19.95) and fifth in the 880 (1:59.0). The Braves also got a sixth from Tom Klotz in the high jump (6-2).

Coffeyville edged Wichita Kapuan 55-52 to win the team title with Ward seventh with 20.

The second-hour class won with an average of 34.1 pounds per student. The winning class will be treated to a catered party by Don Chilitos.

The four classes brought a total of 1075 pounds of goods for the families. The second-hour class (Spanish II) also made cookies for each family and, in doing so, organized their own cookie exchange.

In addition, Spanish Club dipped into their treasury and bought a Christmas toy for each child in the three families.

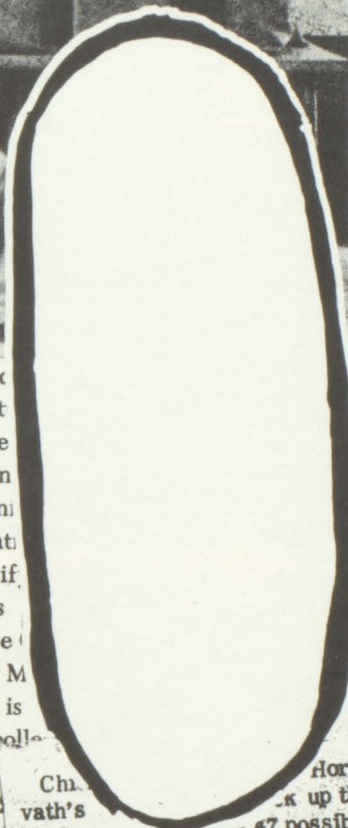

All of the goodies were delivered to the families' home Tuesday and Thursday evening. Assisting in the loading and delivering of the gifts were: Richard Deay, Maria Gentz, Lorna Kindred, Kim Romero, Ricky Smith, Evelyn Steinwachs, Brian King and Mike Thorn.

The three families are all victims of unemployment, in two cases a result of industrial accidents. The total number of children between the ages of 2 and 18

"Love Is in the Air"

The theme of the 1979-1980 Junior-Senior Prom was "Love Is in the Air," with music provided by the band "Jasper." Many couples attended the dance and had an entertaining evening.

Jeff Carroll, an alumnus, and band "Jasper," perform at the prom.

Lory Swanson, Shelby Kleindolph, and their dates, observe the action around them.

Faculty member, Mr. Conoway, and Vice-Principal Mr. Morey, reminisce about their past prom days.

Steve Hauffler and Charlotte Owens spend a quiet evening together.

George Espinoza and Anita Fischer seem to be pleased with their evening events.

Lalie Ochoa and Jeff Pembleton pose for one last senior memory.

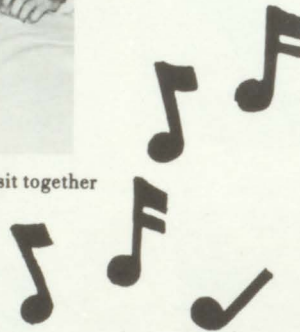

Melanie Gray's radiant smile shows her happiness of being at the prom with her date.

Russell Pino, Kathy Bennett, Janice Jennings, and Ronnie Johnson visit together throughout the evening.

Patti Holliday and her date listen to the band.

Prom couples dance their last dance of the evening.

Cherished Memories

Nikki Stine and Jeff Stephan seem to be more interested in something else than their dates.

Jeannie Chambers and Amos Davis are just here for "the fun of it."

August Lietzen, Melinda Newton, and Steve Richie enjoy each other's company.

Lori Ballou and date, Steve Connell, rest up for the next dance.

Wesley Wendt and Angie Murphy think it is amusing that Brett Sullivan has lost his date.

Tillie Burns' date, Kevin Payne, tries to encourage her to go dance.

Baccalaureate. . .a Time to Be Serious about Ourselves and Future

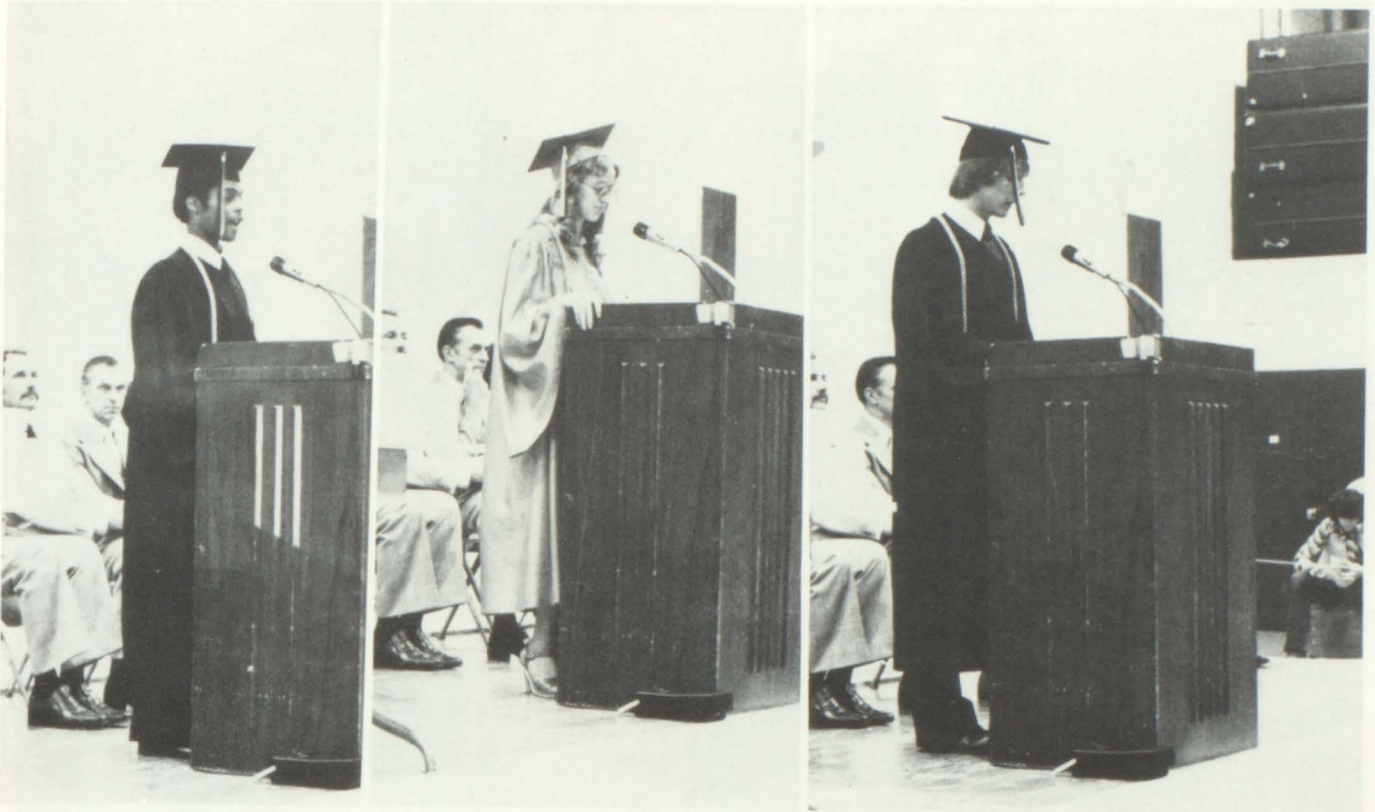

Reverend Sorrell addresses the graduates.

The solemn graduates listen and think of what is to be in the future.

Teachers, Family and Friends Join Us

in an Important Moment in Our Lives

Senior Dinner...a Night to Remember

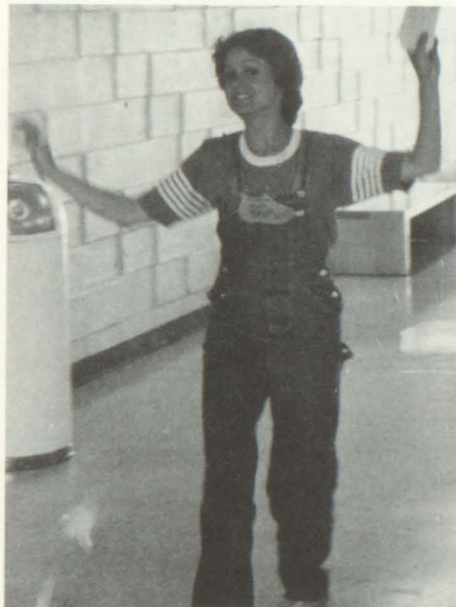

The senior dinner was a long awaited event. With David Rehm and Ronnie Hernandez bungling through the master of ceremonies role, we went through a series of recalls that dated back to kindergarten. They made us laugh...sometimes happily and sometimes painfully.

Then Mr. Collins, the dragon of every senior class, didn't fail us as he panned us, punned us, put us on and put us down with all of the secrets he had uncovered about us. But he knows "how hard it is to be humble."

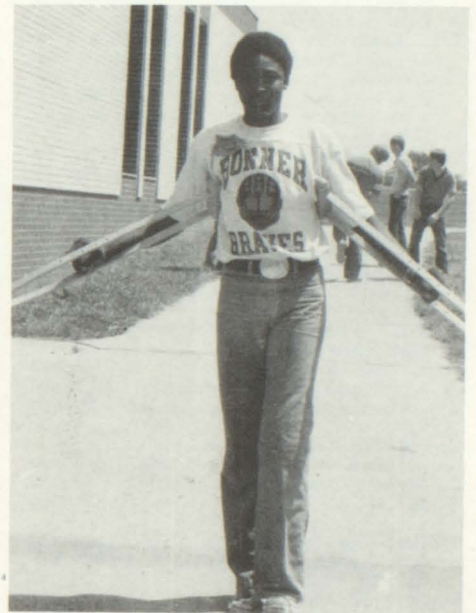

How to Have a "Senior Skip" Day

Mr. Stokesbury shows his approval of a really acceptable senior skip day.

Lisa Hornick did what she has done all year... skip to classes.

Archie Sanders tries skipping with his crutches.

Under the leadership of Sonya Vickers, and with the skip badges she had made as their emblem, the seniors who did not ditch school for the day had more fun than they had expected. In chorus lines or singly, they skipped from class to class, and before the morning was over they had changed the entire atmosphere in the school to a happy enjoyable event.
