## The Man of the Year—1977-78

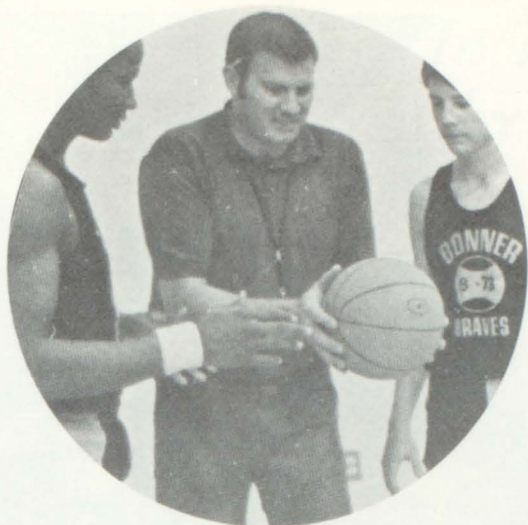

He came to Bonner Springs ten years ago to teach and to coach. Soon after his arrival, he made basketball a really big sport in Bonner Springs, and he made the State of Kansas aware of the Braves and their ability on the court. The basketball season at Bonner became a season of excitement, and the players performed—bringing titles and respect to Braveland. He brought to us a formidable record of 151 wins and 69 losses and many hours of thrilling basketball.

He teaches, he coaches and now he adds to his career the administration of our Athletic department. He negotiates for games, arranges schedules, designs programs, requisitions equipment and generally makes sure that our total sports program is topnotch—in performance, equipment and opponents.

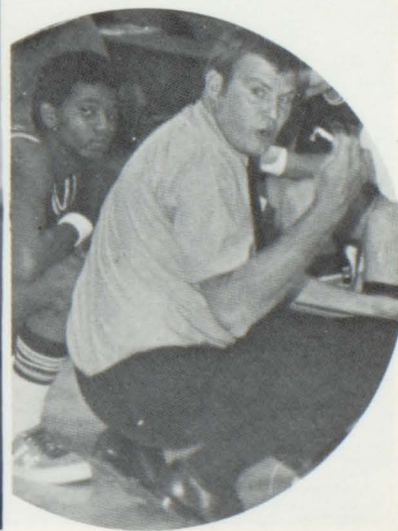

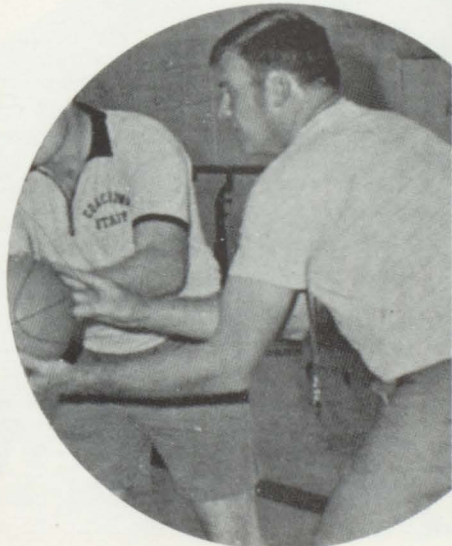

He has watched his children go through this school with the same interest and standards that he expected from others. He has coached his own son to a record-setting season, a four-year career in sports, and he has been no less demanding with him than with others.

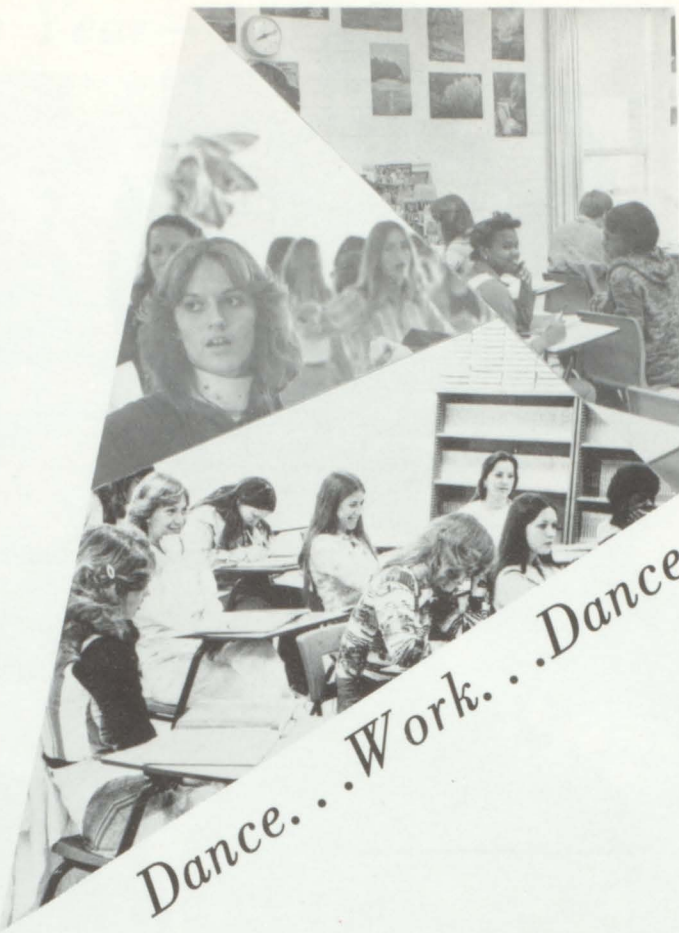

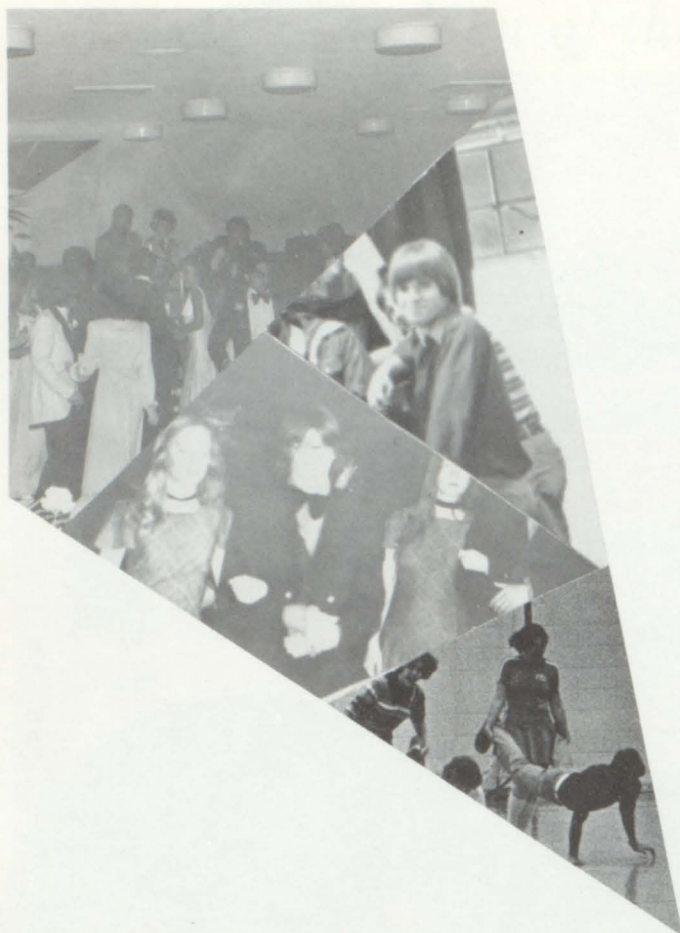

He has dedicated his life to young people—to helping them find their goals, improve their performances and get a glimpse of their potentials. HE HAS NEVER FAILED TO DO HIS BEST. . .AND HE HAS ALWAYS GOTTEN THE BEST!!!

# Spirits Flare during Homecoming Spirit Week

Lori Ballou wears her spirit atop her 'spirited' attire.

These students held up their spirit with suspenders while the two below 'dressed down' to fill out theirs on Suspender and Dress Down days.

The Fifty's returned with great fun to Bonner High as many of the students participated in this nostalgic look into unforgotten days.

Some students had so much school spirit that they had to get larger clothes. And what a perfect choice for wearing on Dress Down Day.

Little kids made an appearance at Bonner High with dolls in hand and thumbs in mouths. Children's Day was a 'cute' way to end up a week packed with fun, secrecy, competition and spirit.

# Bonfire Sets Spirits Afire for Homecoming Festivities

*Big Eddie Nealy shows how many marshmallows he can get in his mouth at one time. Is that 40 now?*

*Jan Ballou laughs at two big, tough football players, Mark Mies and Greg Gorman, as they race to see who can get more into his mouth. Not the lasting impression of a football player, is it?*

*The highlight of the evening, the burning of the opposition mascot or in this case of a DeSoto team member.*

*Varsity cheerleaders channel their spirit into leading the crowd in a chant.*

*Everyone participated in this event, especially the band. Support was coming from all its members from the flute to the bass drum.*

Shelly Morris and Kelly McIntyre demonstrate another way to get "the bird."

Miss Sheley, sponsor, shows her ability to make friends easily.

Over the past eight years several groups of Bonner High students have taken advantage of a Foreign study tour of Europe. The summer of 1977, seven students, accompanied by Ms. Pat Sheley, studied in London, Rome, Leysin, Paris and Florence. They were: Shelly Morris, Kelly McIntyre, Jeff Harrington, Bill Meyer, Brenda Groves, Dee Valentine, and Marsha Cline.

Octopus? Jeff Harrington and Bill Meyer look wary as they try it out.

The daily classes and the tours give each student an overview of the history, culture, customs and interrelationships of the peoples and nations of the Western World. Students return, having unique experiences, used unusual conveyances for travel, eaten foods they'd never seen before and met people they had never expected to meet in their lives.

Tash working? No, just wiping off the sweat.

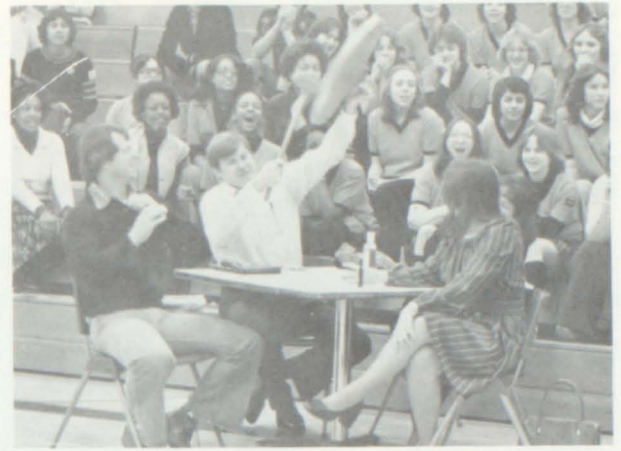

During the summer of 1977, Tash Pickell participated in a Youth Work Study Tour to LaGonave, Haiti. Tash and the other students, from around Kansas, worked on a small island in the Caribbean for two weeks. They terraced hillsides, planted trees and took part in many other work projects they never thought of in their lives.

The group studied about the Haitian people while staying in Port-au-Prince, capitol of Haiti. They also took part in some learning of the Creole language. Occasionally you could see Tash around school with her Haiti t-shirt. . .Al Doucement, (BE COOL).

# The Senior Gong Show

"Jie" and The Wyandotte County Country Group sing "In Love With A Good-hearted Woman."

"The Picklettes" displayed their "unique" talent with a performance of "Big Fig Newton," and got gonged three times.

The Senior girls lead the senior to the biggest cheer of the years with a B-B-B-R-A-V-V-V-E-S.

The Top Hats (Glen Dowding, Mark Mitchener, Eddie Nealy, Tim Newton and Gary Lowe) whistled through The Bridge Over the River Quay until their stomachs ached.

# The Totem Pole Clan

A group of ten "dedicated" students worked long hours to get together a record of the 1978 school year.

# The Power Behind the Pow Wow

In the relaxed atmosphere of deadlines, Mrs. Wind's nagging and the constant highs and lows of the Bastion adventures in sleuthing, the POW WOW

went through one of its better years. It didn't produce frequently, but it did produce quantity—more 8-page papers than in any year in the past.

Above: Ronda Brown, center, managing editor, shows Tammy Bonnee, left, and Susan Harvey, right, the page layout. Left: Brian Miller tries to follow in the footsteps of Hugh Hepner. Right: Seniors, June Ward and Laurie Ellington control the machinery and make it print the brilliant stories written by the experienced reporters.

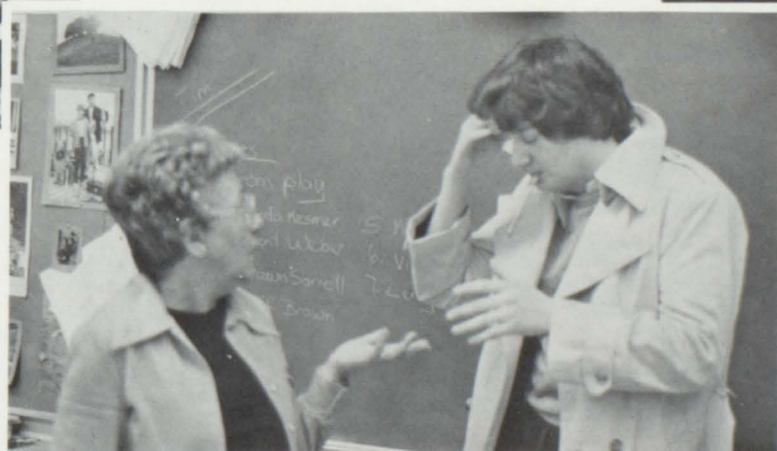

Super-sports-reporter Mark Lee surprises the press room with a dissertation on the turnip.

Tim Galyean peers through the negatives that he has developed in his darkroom. As a photographer, he has moved to photo-specialist for both the Pow Wow and the Totem Pole.

Super-sleuth Tab Bastion, the Baretta of the Pow Wow, questions Mrs. Wind as to what date the Pow Wow will go to press.

Elaine Benz awaits her turn to show her parents the mountains of work she has done in 19F.

Best Wishes to the Class of 1978 from Bob's Thriftway, Edwardsville, Kansas.

## *Handle with Care...May Be Pocahontas*

*The skull had been in the biology lab for eight years. And, after a couple of episodes of "Quincy", Tab Bastion began to get curious and to wonder.*

*Tab had learned something, at least enough about forensic medicine, to know that the skull could give some kind of data. And it DID! It turned out to be the skull of an Indian maiden who had been "done in" between 20 and 25 years of age probably some 100 years ago. . .even 1,000 years ago.*

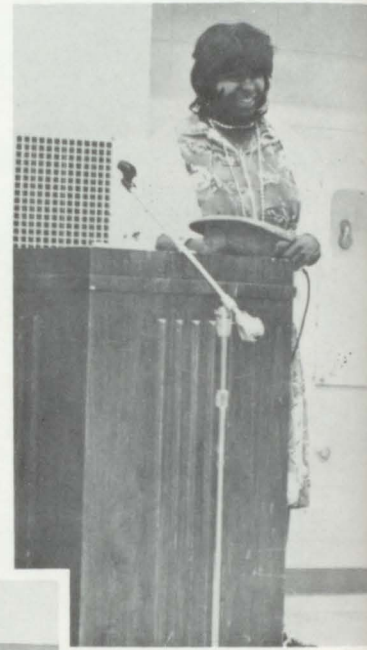

*Needless to say Tab and the skull made the news, and the skull went back to the cabinet while Tab went out digging for more skulls and information.*

## How to Go from Stud. . .

*In this year's Injun Joe assembly, the contestants participated in a "beauty" contest. . .and it was a beauty. They were judged on their beauty, poise, personality and intelligence. The candidates selected their wardrobe and matching accessories and sauntered around the gym amid wolf calls and whistles. They all survived the trauma of the experience, and the student body enjoyed their performance and selected the most "attractive."*

## "Que Pasa" in Spanish Club

Spanish Club officers: Connie Ochoa, President; Laulie Ochoa, Vice-president; Barbara Letzig, Secretary; Mike Rehm, Treasurer.

Mark Tucker and Barbara Letzig mind the candy store selling the ever-popular Chupa Chups.

Spanish Club members celebrate Christmas by having a pasada and then having a party afterwards at Mrs. Pat Sears' house. Left to Right: Matt White, Shelby Kleindolph, Justin Jones, Connie Ochoa and Lalie Ochoa.

The Spanish Club had a busy year with a variety of activities. Besides selling their popular Chupa Chups, they delivered valentines, had a part in the International Dinner and again performed in full costume at the annual Arts Festival. To celebrate the Christmas season, the club had a pasada, a reenactment of the journey of Mary and Joseph. With an energetic sponsor, Mrs. Pat Sears, they shared Spanish culture with the community.

# How to Cook in Spanish

Greg Gorman, alias "Gopher Gorman" says, "Mmm finger lickin' good."

Kim Stanley says, "Yuck. What is it?"

Steve Ritchie and Wesley Wendt think eating them is much more fun than making them.

Melinda Newton watches curiously as Monique White unwraps a tamale.

Mark Tucker prepares to "Chow Down."

# FHA Members Show Interest and Leadership

One of the busiest groups at the school is the group known as FHA. They pack more projects, more fun, and more service to the school in one year than seems possible. They run the concession stand during the football season, serve at the various parties, sell things, have a talent show, engage in a FHA week that is five days of variety and wind up the school year by going to Six Flags Over Mid-America.

Mrs. Sharilyn Honachi, upper left, and Miss Martha Patterson are the leaders and sponsors of the active FHA club.

These eight girls guide the FHA activities and hold their offices. They are: Back Row: Melanie Gray, Regina Newton, Freda Fein and Phyllis Gray. Seated: Lynne White, Pene Wall, Paula Fein and Stacie Cruz.

Lynne White and Freda Fein represent Bonner FHA at the District level.

# Community and Students Display Their Skills

Lalie Ochoa, member of crafts class, does basket weaving for the Arts Festival.

Lalie Ochoa and Monty Schneck, winners of the Applied Arts award, are posed with other winners.

Bonner High Singers help to entertain at the Festival.

The winners of the cover design —1st place, Marsha Mindedahl; 1st runner-up, Patty Carver, and honorable mention, Arlen Schif.

The Singers were a popular group with their talent.

The Art Festival is an annual community event sponsored by the New Century Club of Bonner Springs. They involve the entire community and high school students are a welcomed part of this cultural event. The art, crafts, music and Spanish department have become a vital part of this community project.

# Spanish Club Provides Cultural Entertainment

Janie Ochoa, Jan Ballou, Linda Mosier, and Monique White perform "The Sanduga."

Spanish students, though frightened, danced at the Arts Festival. A variety of dances and a variety of costumes kept these students busy for several weeks. The folk dances brought a touch of old Mexico, its color and its rhythm, to the festival. Rosie Linan and her parents, as well as the Ochoa family, contribute generously of their time, energy and talent in order for the Spanish students to be able to display an authentic performance.

Lalie, Connie, and Janie Ochoa display their beautiful authentic costumes.

Linda Mosier and Jeff Stephan stomp to the "Bamba Colas".

Las "chiapanecas" sends Lalie twirling.

The "machettes" being performed by Russell Thogmartin, August Lietzen, Nick Summers and Rocky Robinson.

Rocky Robinson and Beth Ontiveros concentrate on their steps in the "machettes."

*On Sunday, March 19, 16 very excited Bonnerites boarded a bus. First stop—Washington, D.C. The bus ride was long and tedious with a few jokes and songs thrown in late at night to spice things up. The Group (Brenda Mesmer, Lisa Hefley, Bonnie Sanders, DaJuana Quillen, Rhonda Stout, Carla Kandt, Diane Stine, Pat Enloe, Alan Dalsing, Mike Martin, Robbie Trotter, Larry Hardy, Glen Dowding, Chris Clark, Brett Peterson, and Max Brown) checked into their rooms, freshened up, and*

*were off again. The Kansas kids saw sights like the Capitol, White House, Smithsonian, monuments of Lincoln, Washington, Jefferson, and Iwo Jima, Arlington National Cemetery, and a play, "The Mighty Gents" at the Kennedy Center. On Wednesday it was back on the bus—this time for Philadelphia and the Liberty Bell and Independence Hall. The stopover soon came to an end, and it was on to the Big Apple—New York. A very excited group left the bus in awe of the size of the city. Sightseeing here included Statue of Liberty, Empire State Building, Ford's Theater, and the Opera at the Metropolitan Opera House, as well as taking in two plays, one of which was the popular "Annie". The students were given free time to shop and explore the city on their own. It was a weary bunch of people that boarded the bus on Saturday morning heading for 'Home Sweet Home.'*

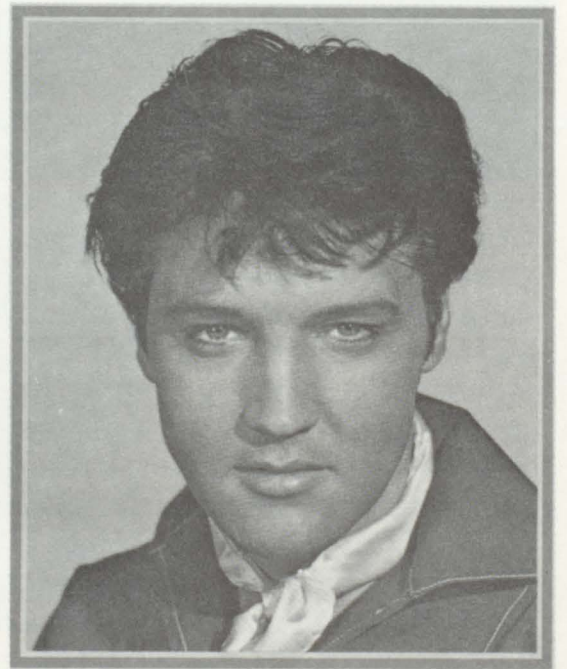

*Bus rides don't have to be boring, especially when Bonnie Sanders is playing Miss America, carrying her lively smile and wilting flowers.*

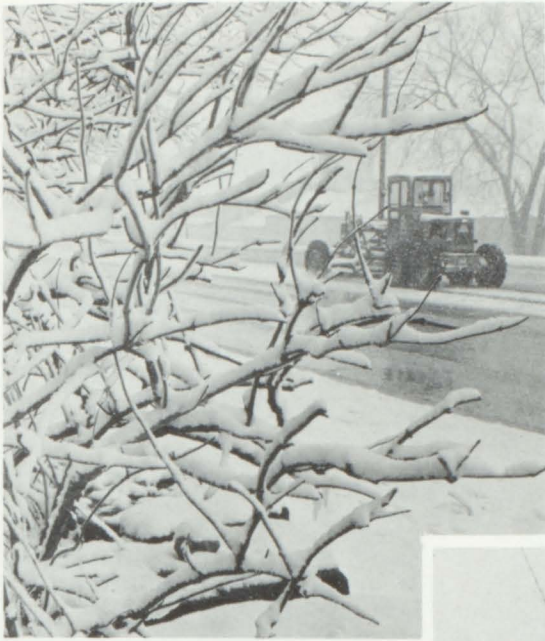

*Many of us knew "The King. . ." We loved, idolized, envied and enjoyed Elvis and his many talents. For this we are dedicating a page in memory of the man who brightened our lives.*

*Almost single-handed, Elvis reshaped pop music and, in the process, became the youngest legend in showbiz. In all, over two hundred million of his records are in the possession of teenagers all over the world. . .and in Bonner Springs.*

*The King died on August 26 and shocked the world of music lovers. And someday twenty years from now when you are looking over this page and showing it to your children, you will be remembering Elvis.*

## *A Real Snow Job*

*In what turned out to be the worst winter in years, we found ourselves using "snow days" until we had used up our spring break. One 8" snowfall, one 10" snowfall and one 7" snowfall left us with snow men, snow drifts and "snow" fun.*

The young Pompon squad had another rebuilding year with seven returning squad members. The efforts of the co-captains were enhanced by the inspiration and evaluation of Tricia Shultz. Her unique ideas gave variety and color to the various performances. A variety of routines were performed this year. Everything from "Rocky," "Bandstand Boogie," and "Boogie Man," to "California Strut," and "Get Around," were practiced and performed.

The junior varsity team ran up against a lot of tough competition, getting them into shape for even tougher competition next year. The freshmen, in their first year, show great promise for future playing. They finished the season with a winning record of 8-4 and a third place finish in the tough Shawnee Heights tournament. With all letterwomen returning except senior Madolyn Wagner, next year shows hope for the best season ever.

## Eddie Nealy—Walking Tall

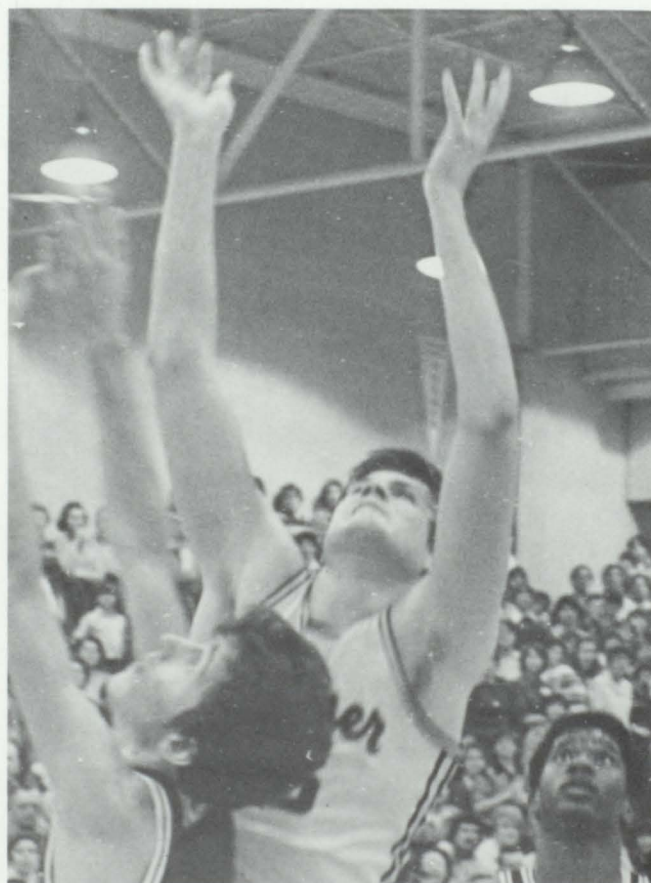

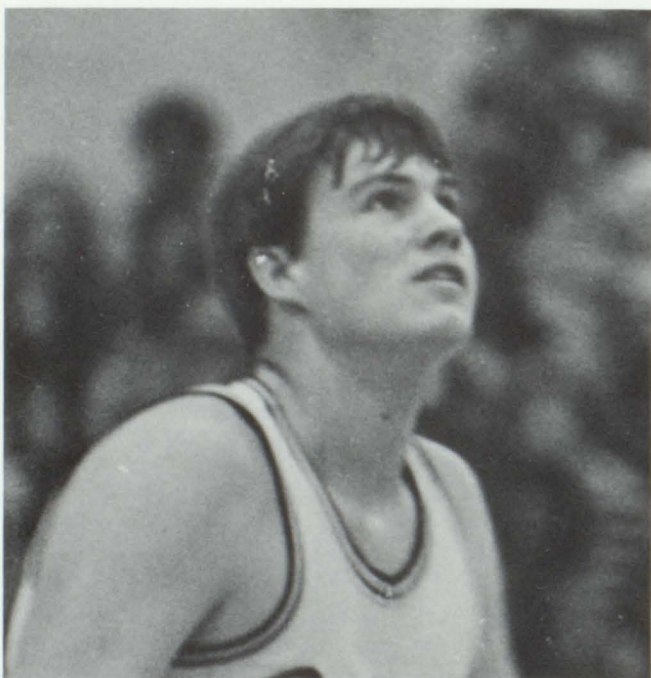

Eddie Nealy, who completed his high school basketball career at Bonner Springs this year, has broken nearly all of the high school individual records in scoring, rebounds and free-throw percentages.

This season Nealy led the area in scoring with 532 points, averaging 28.0 points per game and establishing a new single season school scoring record. Nealy also set a field goal percentage record with a 61 percent mark. He also set a new single game scoring record of 51 points against Hiawatha in the Tonganoxie tournament.

Nealy now holds the record for two-years scoring with an average of 24.14 and 1,014 points. He also shattered the three-year record by scoring 1,300 points for an average of 19.4 points per game for three years. He also set a new three-year free-throw record of 78 percent and a new rebound record of 771 for an average of 11.5 per game over three years.

Eddie was named to the EKL All-League team in 1977-78 and became the first Bonner Springs player to be named to the All-EKL team three years in a row.

Eddie was not only involved in sports, but he was also an honor student. He is Salutatorian of the Class of 1978 and is a member of National Honor Society. His grade point average for four years was 3.97. He was named Most Intelligent by his class members. During his high school years, he was a member of the yearbook staff for two years and was involved with B-Club and Kayettes.

On February 4, 1978, Bonner placed four champions at the East Kansas League Tournament at Ottawa. With Tom Ballard, Glen Schneck, Jerry Seaton, and Mike Crosby placing first, the team managed to rack up 152 points to get an unexpected second place finish. One week later Bonner also came upon another second place win at Regionals in Effingham. Jerry Seaton was the only champion, but two seconds, three thirds, and three fourths all helped to earn us our points. Although the Bonner team didn't compile their usual top record in duals, they did show their strength in the tournaments.

With only two Bonner wrestlers placing at state, the team managed to place ninth overall with a tie. Jerry Seaton, who placed second, went up against undefeated Mark Martin of Parsons in the championship match. Seaton ended his season with a 25-1 record.

Tom Ballard placed fourth for the second year in a row. Ballard lost his consolation match to 138-pound wrestler Hoyd from El Dorado. He compiled a 22-5 mark for the season.

Linda Mosier—Linda ran a leg on the mile relay team which set a school record of 4:08.0 in the state meet. She lettered three years.

Joyce Pino—Joyce earned three letters and helped the 440 and 880-relay teams establish school records. She anchored the 440 squad to a fifth place finish at state.

Jill Mullins and Head Coach Ken Rickard discuss maneuvers for the track season.

Here the boys' and girls' track teams are waiting for their events in the Regional meet at Iola. The girls won the Regional championship, while the boys finished as runner-up.

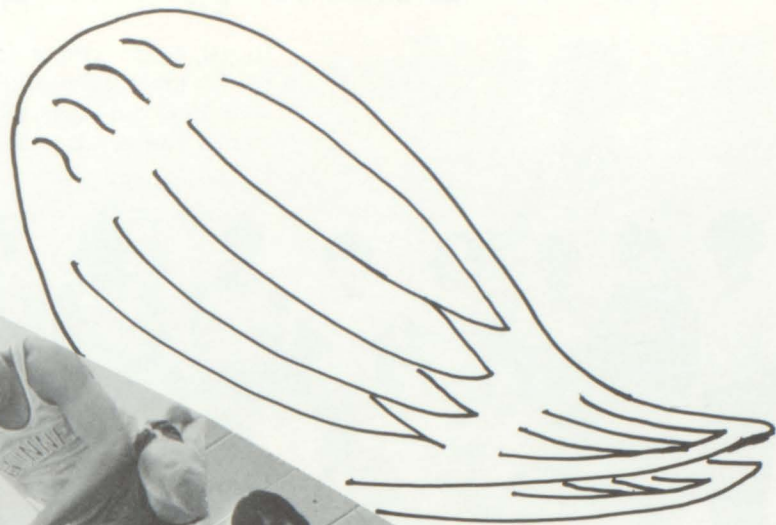

Best Wishes to the Class of 1978 from Southwestern Ornamental Iron.

At the beginning of this year, Coach Rickard said that this would be a rebuilding year. Apparently the girls misunderstood the coach and thought they were to remake the girls' school records. They did just that. . . setting five new records. Next year the girls will definitely be a league contender and should repeat as regional champs, because the squad lost only three seniors to graduation. Good luck and keep on trackin' . . .

In the past years, Bonner Springs High School has honored its athletes with a sports banquet at the end of each school year. But, this year was a little different. Instead of the usual one banquet, this year begins the new tradition of two banquets a year. The seven sports in which Bonner athletes participate were divided, and the fall banquet honored the athletes in the first three, cross-country, football and volleyball. But, in addition to honoring the athletes and the hard working coaches, this banquet also gave recognition to the Pep Club by putting a little of the spotlight on the cheerleaders.

## *A Springtime Fantasy*

# **Tonight's The Night**

On a warm and breezy Saturday night, the rented tuxedos were taken off the hangers, the faces shaved, the shoes shined, and the last minute touches to coiffures and makeup were applied, the corsages taken from the refrigerator, and any other last minute details which may have been forgotten were taken care of, and off they went to Prom-1978. The musicians for the evening were **Spectrum**, a local band with a member of BHS playing in it. As the evening began to achieve its climax, the throng of participants began to filter off to their various eating establishments, soon to end a memorable and fantastic evening. . .

A look at some of the young ladies who served us at Prom.

## *...and the Music*

*"...and I in my tuxedo and my lady in her gown, had just settled in for an evening of dance. When what to my surprised ears should appear, but the music of Spectrum, vibrant and clear. And so we got up, and we boogied a few; and then we walked out where the evening was blue."*

# Thanks for the Memories

As the year dwindles to its end, we look back over our memories that took us four years to produce. What will the Class of '78 be remembered for? For our spirit? For our scholastic achievement? For our athletic achievements? We are the year that Homecoming was rained out. The smoking patio was almost taken away. And the year that winter looked like an eternity. We may soon be just another senior class, but one thing is for certain: the year '78 will be remembered fondly in the hearts of the Class of '78!

We must thank many people for helping us put this book together. Besides the members of the class and Mrs. Angela Wind, we have some photographers to thank. Tim Galyean, Lonnie McMurtree, Tammy Franklin and the Photo Art classes helped us this year. Thanks again, folks!
