## *Foreword*

We the Seniors of 1961, regardless of what future fame we may acquire individually, believe one claim to fame lies in graduating from Bonner Springs Rural High School in this eventful year.

With the help of our sponsors we, on the staff, have tried to portray all of the highlights of the year in the following pages.

We hope the reader finds this Totem Pole a vivid and enduring memory of the 1960-1961 school year.

### YOU CAN'T TAKE IT WITH YOU

The plot shows how Tony, attractive young son of the Kirbys, falls in love with Alice Sycamore and brings his parents to dine at the Sycamore home on the wrong evening. The shock sustained by the Kirbys, who are invited to eat cheap food, shows Alice that marriage with Tony is out of the question. Meantime Tony, who knows the Sycamores are right and his own people wrong, will not give her up, and in the end Mr. Kirby is converted to the happy madness of the Sycamores.

## FEDERAL CREDIT UNION

If you belong to a group that has a credit union,  
step right up and join. No invitation needed!

Remember: the members own the credit union.  
They operate it so they can save with good dividends  
and borrow at low rates. They wouldn't take the  
trouble if they didn't get the best deal at the credit  
union. So can you.

With few exceptions, your savings are matched dollar  
for dollar and in case of your death, your loan  
is "Paid in Full" -- with insurance provided by  
your credit union at no extra charge through CUNA  
Mutual, the credit union insurance company.
